Press Note.

Health of Livestock in Mysore State during August 1952.

In their order of severity, outbreaks of Blackquarter, Haemorrahagic-septicaemia, Anthrax, Ranikhet, Contagious-goat Pleuro-pneumonia, Sheep-pox, Gastro-entritis and Foot and Mouth were encountered. Altogether 141 villages were reported to have been affected by one or the other of the several contagious and infectious diseases as against 191 villages during the previous month. The number of outbreaks was highest in Shimoga, Bangalore and Hassan Districts, while Chikmagalur, Tumkur and Mandya Districts were least affected. These diseases accounted for 474 attacks, of which 417 succumbed. The departmental staff conducted 23,378 preventive inoculations and vaccinations against all the above diseases, except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention, other prophylactic measures were adopted against Foot and Mouth disease.

During the month, the State was free from Rinderpest. As a prophylactic measure, the staff of the department have protected 935 cattle in four villages of Devanahalli Taluk.

Diseases caused by internal parasites were reported from 123 villages accounting for 34 deaths, as against 124 villages accounting for 24 deaths during the previous month. The special staff attached to the parasitic disease control units of the department dosed 9,008 animals.

Due to failure of rains, scarcity of fodder was keenly felt in Kolar, Tumkur, Chitaldrug, parts of Hassan, Chikmagalur and Shimoga Districts. One thousand one hundred and forty-two cattle are reported to have died from starvation. Fodder depots have been opened in all the affected areas and adequate quantities of paddy straw are reported to have been made available in these depots from Mandya District. Government have also thrown open all the Forests and about 27,000 acres of Amritmahal Kaval lands in different parts of the State. The villagers in the distress areas are being advised to move their non-essential cattle into the jungle areas and Amrithmahal Kavals.
